

CHINA COUNCIL FOR THE PROMOTION OF INTERNATIONAL TRADE (CCPIT)

Invitation to attend

“ Sino-Foreign Investment & Cooperation Matchmaking Seminar”

To whom it may concern □

We are pleased to inform you that the 5th China Western Region Foreign Investment Promotion Fair (5th Inwest), jointly hosted by the China Council for the Promotion of International Trade (CCPIT), Shaanxi People’s Provincial Government and the China Association of Enterprises with Foreign Investment (CAEFI), will be held in the International Exhibition Center in Xi’an from April 6th -7th, 2006. The fair will be simultaneously held with the 10th Investment & Trade Forum for Cooperation Between East & West China (10th ITFCEWC).

As you may know, the development of China’s western region is lagging behind the eastern and coastal areas. However, with the implementation of the Central Government’s strategy of “developing the west”, the middle and the western regions are catching up rapidly. The advantages of these regions in resources, labor forces, etc. have gradually become imminent. More importantly, enterprises in mid-west era have stronger aspirations to develop economic and business cooperation with their foreign counterparts. Opportunities for mutual investment and business cooperation are huge there.

To construct a platform for the investment and business cooperation between Chinese enterprises and their foreign counterparts, the Economic Information Department of CCPIT will organize the “ Sino-Foreign Investment & Cooperation Matchmaking Seminar”, one major event in the 5th Inwest. At the matchmaking seminar, you will have the opportunity to meet with business people from the middle and western provinces of China and have one-on-one talks based on your business intents pre-submitted to us. Moreover, you can also

attend other events in the fair and communicate with Chinese enterprises from over 24 provinces.

Sincerely Yours,
