Jiaxing in Brief:

As the province's only gateway to Shanghai and the outside world in terms of land communications, Jiaxing lies in the central region in the Yangtze River Delta in China's southeast coastal area, and covers a total land area of 3,915 square kilometers with a population of about 5 million. Situated at the juncture of Shanghai, Zhejiang and Jiangsu provinces, which make up the majority part of the Yangtze River Delta Region, China's fastest-developing area, Jiaxing City enjoys unique geographic advantages and its easy access to Shanghai and Hangzhou which are 90 kilometers away respectively.

Jiaxing is an emerging industrial city with integrated development of foreign-invested sector and local private sector. Jiaxing boasts sufficient power supply and well-educated human resources as well as profound cultural heritage. These years, the city's GDP achieved an increase of over 12% year on year. The per capita GDP for last year reached USD7746. Jiaxing ranks No. 26 in Forbes' List of Best Commercial Cities in mainland China.
